Seventh Grade Mathematics Math 7 - Course 2

Room 214

e-mail: a.calder@northwillow.example

Teacher: Ms. A. Calder

BASIC TEXT: Illustrative Math, Course 2. This is a soft cover math book. An online version is available. This is the math program aligned with the grade-level standards.

COURSE CONTENT: The seventh grade curriculum is divided into several parts.

1. Mathematics textbook. The class uses Illustrative Math, Course 2. Earlier topics are reviewed when a new unit needs them. An online copy of the text is available.

2. Computation. Students use computation skills to relate math concepts to everyday situations.

3. Problem of the Day book. After students enter class, they copy and solve the Problem of the Day in a composition book. These books are collected twice a term.

4. Open-ended questions. At the end of a unit, students complete an open-ended question scored with the state rubric for open-ended responses.

REQUIRED MATERIALS: 2 lined composition books; 1 pocket folder; 2 pencils and 2 blue or black pens; a calculator for home use (square roots, fractions, and exponents); a positive attitude.

EVALUATION PROCEDURES: Students are graded on tests, quizzes, projects, the Problem of the Day book, classwork, homework, and participation.

Grades:		Categories:	
90 - 100	A	Assessments	80%
80 - 89.99	B	Learning Activities	20%
70 - 79.99	C		
65 - 69.99	D		
0 - 64.99	F		

CLASSROOM RULES: Each student brings the necessary materials to class and arrives on time. Missed work is made up promptly for full credit.

HOMEWORK LATE POLICY: On time = full credit; 1 day late = partial credit; after that = no credit unless the student has made arrangements with the teacher.

PROJECT LATE POLICY: 10 points off for every day late.

COMMENTS: Please check that the day's assignment is written in the homework book. Homework is usually given every day. Questions can be sent to the teacher by note or by the email above. Messages may not be read until the end of the day.

HOMEWORK: Homework is written daily in class and posted on the class portal. Follow the school directions to view grades online.

EXTRA HELP: Extra help from the teacher is available upon request.

I look forward to teaching your child this year.

Sincerely, Ms. A. Calder
