Seventh Grade Mathematics
Math 7 – Course 2

Room 216

e-mail: dradick@bensalemsd.org

Teacher: Mrs. D. Radick

BASIC TEXT: *Illustrative Math. Course 2.* This is a soft cover math book. An online version is available. This is the math program that is aligned with the Common Core State Standards.

COURSE CONTENT: The seventh grade curriculum is divided into several parts.

1. **Mathematics Textbook** – We are using *Illustrative Math – Course 2*. Previous math content will be used to supplement the series if needed. Online help will be available on the site through lesson Tutorials at www.connected.mcgraw-hill.com.
2. **Computation** –Students will use computation skills to relate math concepts to the real world.
3. **Problem of the Day Book** – After students file into class, they are expected to open their composition book, turn to the next page and neatly copy and solve the Problem of the Day. We will review these each day after attendance and homework is checked. These books will be collected at the middle and end of each marking period. The POD book will be calculated in the Classwork and Minor Assessment categories of your grade.
4. **Open-ended questions and Performance Tasks** – At the end of a section or major unit, students will be given an open-ended question or Performance Task to complete. This problem will be rated according to the Pennsylvania State rubric for open-ended questions.

REQUIRED MATERIALS:

- 2 lined, (preferably Blue) Composition Books (or 1 book with 200 pages)
- 1 - Blue, 3-hole pocket folder.
(Label: *Tests & Quizzes* on one pocket, and *Handouts* on the other pocket.)
- 2 pencils; and 2 blue or black pens.
- a calculator for home use - for square roots, fractions and exponents, such as a TI-30.
- A positive attitude.

EVALUATION PROCEDURES: Students will be graded on the following items: Major and Minor Tests/Assignments/Quizzes/Projects, Problem of the Day Book completion, Classwork, Homework, Class Participation and Behavior.

<u>Grades:</u>		<u>Categories:</u>	
90 - 100	A	Assessments	80%
80 – 89.99	B	Learning Activities	20%
70 – 79.99	C		
65 – 69.99	D		
0 - 64.99	F		

CLASSROOM RULES: Each student is responsible for bringing the necessary materials to class. Students will not be allowed to return to their lockers for a forgotten item. They are also expected to come to class on time and to conduct themselves in a mature manner. Students will only be permitted to go to the bathroom before or after instruction. All work missed due to absences, music lessons, etc. must be made up and handed in as quickly as possible for full credit.

HOMEWORK LATE POLICY: On time = Full credit; 1-day late = Partial Credit; After = No Credit unless you have made arrangements with the teacher.

PROJECT LATE POLICY: 10 Points off for every day late.

COMMENTS: Homework books should be used throughout the year. Please check to see if your child has written the assignment of the day. Homework is usually given everyday. If at any time a problem does arise, please feel free to write a note or contact me. Please note that I may not check my messages and email until the end of the day.

HOMEWORK: Homework assignments are written (daily) on my homework and assigned online on **Schoology** as well. Follow the district directions to view your grades online through **Sapphire**.

EXTRA HELP – by me is available upon request.

I am truly looking forward to teaching your child this year. I will continue to work in your child's best interest to meet their needs for growth, achievement and continued success.

Sincerely, *Mrs. Radick*
